SPRING | SUMMER 26

# SS 26'

Andrea Martiny Spring/Summer 2026 captures effortless elegance through a refined balance of timeless design and modern casual wear.

Crafted in Slovakia with a strong commitment to slow fashion, the collection emphasizes quality, longevity, and responsible production.

Clean silhouettes are elevated by subtle contrasts, playful details, and expressive colors, creating a relaxed yet sophisticated wardrobe.

Designed for freedom and individuality, each piece transcends seasonal trends and invites mindful, confident dressing.

“ANDREA MARTINY was born from my desire to create clothing in which women truly feel confident and comfortable.

As a former model, I experienced fashion from the inside and understood what women need from garments.

For nearly 30 years, the brand has been part of both the Slovak and international fashion markets, built on timeless design, quality craftsmanship, and respect for individuality.”

— Andrea Stuchlíková, Founder & CEO

The looks featured in this lookbook present selected styling combinations from the Andrea Martiny Spring/Summer 2026 Collection. Individual garments may be styled, layered, or accessorized for editorial purposes. Availability of specific pieces, colors, and sizes may vary. Styling is intended as inspiration and does not limit individual interpretation or wear.
