THE ART of matching

The AM Studio collection opens a new chapter for the brand as a dedicated line of clothing for women who value thoughtful dressing. Built as an intentional capsule, the pieces are designed to combine with ease—reflecting The Art of Matching. A calm palette of beige, white, khaki, and soft pastels supports clean, elegant silhouettes focused on comfort, structure, and real wearability, offering a cohesive system rather than isolated trends.

AM Studio

“The AM Studio line begins in 2026 as a new direction of clothing within the Andrea Martiny brand. It is shaped as a capsule wardrobe for women who value thoughtful dressing and pieces created to belong together. Inspired by The Art of Matching, I wanted this line to offer a cohesive system of garments defined by calm color, clean design, comfort, and structure—more than fashion, a wardrobe that helps women feel naturally confident.”

Andrea Stuchlíková, Founder & CEO
